### **Handbook for Independent Directors Upholding the moral compass**

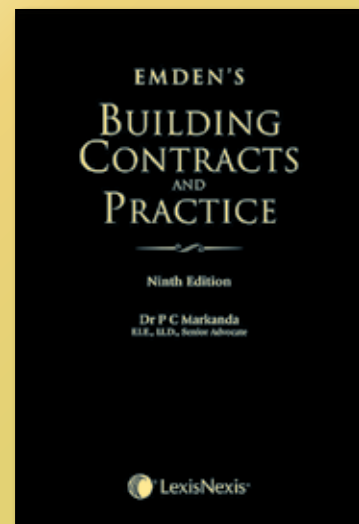

*Handbook for Independent Directors* explores and analyses various dimensions of the role of Independent Directors who are considered as the pivot of corporate governance. The sweeping changes brought by the Companies Act, 2013, revised SEBI rules and other regulators along with high stakeholder expectations impose great responsibilities and pose new challenges for independent directors in their discharge of duties.

This handbook is designed to serve as reference and assistance to independent directors, and is expected to be the go-to guide for current as well as prospective directors in their pursuit of upholding the corporate moral compass.

### **Emden's Building Contracts and Practice, 9e**

This book is an Indian adaptation of Emden's Building Contracts and Practice, a renowned treatise on building law, which was first published in the year 1882. It captures the changes in the legal framework of building contracts law over the last three decades in the UK and in India. This edition covers topics relevant to India such as Tenders, Interpretation of Engineering Clauses, Blacklisting and its consequences, Bank Guarantees, Liquidated Damages etc. Apart from this, the book has an exhaustive case law coverage from common law countries such as the US, UK, Australia and South Africa. This book considers all key standard construction contracts.
